### Camp Structure

The purpose of summer camp is to strengthen and enhance your child's skills.

Class format will include instruction, in-class packet work, and educational activities.

#### **Both Math and English will be taught every session.**

- Math and English will both rotate between the morning and afternoon sessions each day.
- All subjects will be designed to fit the appropriate level for each student.
- Academic Goals will be set for each student, which will dictate the curriculum according to the number of weeks enrolled.

Math lessons focus on improving math computation skills and word-problem solving. English lessons focus on vocabulary building and reading comprehension.

#### **Lunch:**

Full Day Camp will have a 30-minute lunch break from 12:00pm to 12:30pm. Students must bring their own lunch. No food will be provided.
