Camp Structure

The purpose of summer camp is to strengthen and enhance your child's skills.

Students will receive custom worksheets specifically tailored to their math and reading levels

Class format will include instruction, in-class packet work, and educational activities.

Both Math and English will be taught every session.

- Math and English will both rotate between the morning and afternoon sessions each day.
- All subjects will be designed to fit the appropriate level for each student.
- Academic Goals will be set for each student, which will dictate the curriculum according to the number of weeks enrolled.

Math lessons focus on improving math computation skills and word-problem solving. English lessons focus on vocabulary building and reading comprehension.

Lunch:

Full Day Camp will have a 30-minute lunch break from 12:00pm to 12:30pm. Students must bring their own lunch. No food will be provided.
